

ATTENTION:

Beginning May 1, Rivanna Hearing Center will be operating with reduced hours. We will be in office Monday through Friday from 9:00 am to 3:00 pm. We have rescheduled all routine office visits and will only be seeing patients that feel their hearing has suddenly changed or that are having a problem with their hearing aids. We ask that you please do NOT come into the lobby, but call us when you have arrived and we will come out to get your hearing aid for repair. We will not be seeing walk-ins at this time. We are trying to do our part to enforce social distancing, while still providing service for as long as we can. Please check back here for updates.

If you should need assistance when we are not in office, please call and leave a message, email us, or send a contact form through the website. We will get in touch with you as soon as possible.

Thank you for your understanding during this unprecedented time. We hope to be back to our regular schedule as soon as we can!
